

PRIDE PLEDGE ACTIVE COLLABORATION MEETINGS

Schedule and Information Pack
2022

Welcome to The Pride Pledge ACTIVE Collaboration Meetings programme.

Every month in 2022 between February and November, the team at Pride Pledge are hosting informal collaboration meetings - a way to network with organisations on a similar journey, share tips and progress, and collaboratively problem-solve.

These sessions are open to any of our Pride Pledge ACTIVE members - Pride Pledge subscribers who have taken The Rainbow Inclusion Stocktake and also signed on to an accelerated program of growth in their journey towards improved rainbow inclusion and diversity in their workplace in 2022. For more information on our ACTIVE program and the Stocktake, check out our website.

These collaboration meetings will be hosted on Microsoft Teams. To register to attend and to receive your connection link, please sign up to our events for these meetings on Humanitix.

We hope these collaboration meetings will be an invaluable asset in your progress in 2022. We hope to see you there, and anyone in your organisation who wishes to attend is welcome!
Let's get active!
